Basic Sewing Supplies

4-1/2” x 12-1/2” ruler

Fabrics:

Brights (or whatever type fabrics you want to use) – 1/2 yard of at least 8 different fabrics. Avoid directional prints and you do not want to use fabrics that blend.

Background – 3-3/4 yards. Does not have to be all the same fabric if you’d like yours to be more scrappy.

Border Fabrics (where I’ve used the burgundy/dark brown) – 3 yards

Binding – 5/8 yards
